

## How to: Setting up the DCS-5020L with New mydlink Account (Wireless)

**Step 1:** Connect the power of the camera and connect LAN cable from the camera to your router.

**Step 2:** Run the CD that come with the camera on your computer.

**Step 3:** Click on next

### Welcome

You will be able to set up your Cloud Camera to use mydlink Cloud service, or you can choose to have the camera run independently.

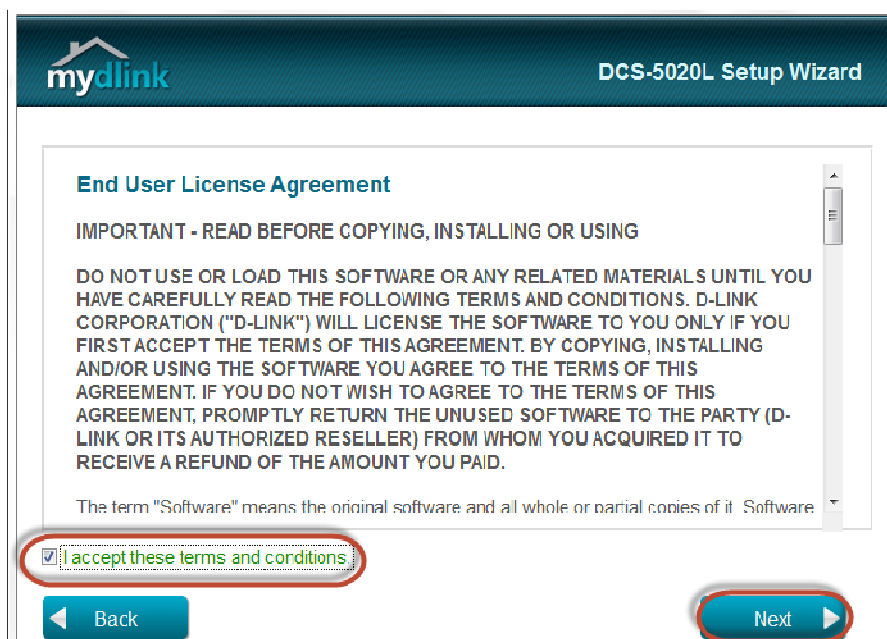

Select your language:

English

Start

**Step 4:** Put a **tick** in the box beside 'I accept these terms and conditions.' Click on **Next**

## Step 5: Click on Next

The screenshot shows the 'mydlink' logo and 'DCS-5020L Setup Wizard' header. Below the header, the title 'Connect your Cloud Camera' is followed by a progress bar with three steps: 'Connect 1', 'Network 2', and 'Enable 3'. The 'Connect 1' step is highlighted. The main instruction reads: 'Please follow these instructions to connect your Cloud camera.' A list on the left includes: 1. Cloud Camera (highlighted), 2. Router, 3. Power adapter, and 4. LED. A link below the list says: 'Click here to see a basic overview of how your devices connect together.' The central image shows a blue Ethernet cable being plugged into the back of a white camera. To the right of the image, the text says: 'Plug the included Ethernet cable into the port on the back of the Cloud Camera.' At the bottom, there are 'Back' and 'Next' buttons, with the 'Next' button highlighted in red.

## Step 6: Click on Next

The screenshot shows the 'mydlink' logo and 'DCS-5020L Setup Wizard' header. Below the header, the title 'Connect your Cloud Camera' is followed by a progress bar with three steps: 'Connect 1', 'Network 2', and 'Enable 3'. The 'Network 2' step is highlighted. The main instruction reads: 'Please follow these instructions to connect your Cloud camera.' A list on the left includes: 1. Cloud Camera, 2. Router (highlighted), 3. Power adapter, and 4. LED. A link below the list says: 'Click here to see a basic overview of how your devices connect together.' The central image shows a blue Ethernet cable being plugged into a LAN port on a white router. To the right of the image, the text says: 'Plug the other end of the cable into a LAN port on your router.' At the bottom, there are 'Back' and 'Next' buttons, with the 'Next' button highlighted in red.

## Step 7: Click on Next
